The Wonnarua Nation Aboriginal Corporation nominated Biame Cave for a AP and SHL after a number of meetings with OEH and property owner Noeline Smith over a period of 2 years.

Noeline and myself have had a very close relationship over the past 25 years and she asked me to be involved because of our relation with her, the cave and the property.

Wonnarua Nation Aboriginal Corporation feel this site is so important to protect as it will benefit all Australians for future generations to see, enjoy and respect Aboriginal culture now and in the future.

Yours Truly
